Chengdu-Europe Industry Dialogue

NEW INDUSTRIAL VISIONS FOR CITIES UNDER THE DUAL CARBON GOALS

This conference is designed to serve as a platform for constructive dialogue on a transformative industrial and economic vision for cities and territories, with a focus on addressing climate change. Its objective is to facilitate collaboration, foster strategic alignment, and encourage the sharing and exchange of ideas and expertise between Italian and Chinese industries and institutions, thereby enhancing their collective impact on global sustainability initiatives.

ORGANIZERS

Italian Exhibition Group Spa
Chengdu Foreign Affairs Office
Chengdu Municipal Bureau of Ecological Environment

WITH THE SUPPORT OF
