ITALIAN EXHIBITION GROUP
Providing the future

FOCUS ON

Italian Exhibition Group S.p.A., a joint stock company listed on Euronext Milan, a regulated market organised and managed by Borsa Italiana S.p.A., has, with its facilities in Rimini and Vicenza, achieved national leadership over the years in the organisation of trade shows and conferences. The development of activities abroad - also through joint-ventures with global or local organisers, in the United States, United Arab Emirates, Saudi Arabia, China, Mexico, Germany, Singapore, Brazil, for example – now sees the company positioned among the top European operators in the sector.

This press release contains forecast elements and estimates that reflect the management´s current opinions (´forward-looking statements´), particularly regarding future management performance, realization of investments, cash flow trends and the evolution of the financial structure. For their very nature, forward-looking statements have a component of risk and uncertainty, as they depend on the occurrence of future events. The effective results may differ (even significantly) from those announced, due to numerous factors, including, only by way of example: food service market and tourist flow trends in Italy, gold and jewellery market trends, green economy market trends; the evolution of raw material prices; general macroeconomic conditions; geopolitical factors and evolutions in the legislative framework. Moreover, the information contained in this release, does not claim to be complete, and has not been verified by independent third parties. Forecasts, estimates and objectives contained herein are based on the information available to the Company as at the date of this release.
